Learning and Teaching

Learning is promoted through participation in a wide range of teaching methods across the foundation degree. You will be invited to be actively involved through such activities as commenting on videos of practice; you will share your reflections on your learning and your reading, debate viewpoints and engage in practical activities. As the degree progresses you will be encouraged and guided to develop your learning towards increasingly independent study. You are encouraged to see your learning as a collaborative enterprise in which your participation is crucial. Individual tutorials with staff are offered across the degree to allow you to reflect on your ongoing development. The learning and teaching is fully integrated within your workplace.e offered across th
